\*\*Should any of this information be found untrue, or incorrect the student will be notified immediately the following school day. Each student will then have 24 hours to obtain the corrected information needed to rectify the data error. If the student fails to correct any information within the 24 hour period provided their 9 weeks grade will be lowered one letter grade. Please note that it is the belief of the director to have correct information on hand to inform parents/guardians of their child's progress, or in case of emergencies.
