

Barracuda Band Volunteer & Communication Preferences

Whether this is your child’s first time or you are a returning family member, every year is like embarking on the experience of a lifetime.

Your child’s participation is dependent on you, their parent/guardian(s), to provide the necessary support and behind-the-scene talents to make this a successful and exciting experience! Many opportunities will arise throughout the year for you to enrich their band experience. Please check your areas of interest below and let us know where you are willing to assist.
